HIV - A LIVED EXPERIENCE: AGENDA

A silhouette of a person standing on a rocky outcrop, holding a camera mounted on a tripod. The background is a bright, solid yellow color, creating a high-contrast scene. The person is facing left, and the camera is pointed towards the left. The person is wearing a dark jacket and has a backpack on.

5:30PM - Welcome Note

Ciarán Lynch - Chairperson, Sexual Health Centre

Launch of Research Report

Aoife Burke, Researcher Sexual Health Centre

The Lived Experience of HIV-Positive Young Adults

6:00PM - Official Launch of PhotoVoice HIV

Lord Mayor of Cork

A digital photographic display where people living with or affected by HIV can represent their lived experience through images.
